

Directions:

Coming through the BR 101 road, look for the entrance near Km 180 and turn towards Governador Celso Ramos. The Resort is located 15 km from that point.

The path will guide you first through the villages of "Areias de Cima" and "Jordão", small neighborhoods surrounded mostly by grass. Once the ocean is visible, follows the villages of "Canto dos Ganchos", "Praia do Calheiro" and "Ganchos do Meio", where, on this last one there is a small park where local fishermen usually gather.

Another 500m and after a small hill (up and down), take the first street to the left, follow it till the end (aprox. 30m) and drive up the entrance of the Resort. Welcome to Ponta dos Ganchos!
